

## **Unacceptable Conduct**

The Scottish Professional Football League has instigated an initiative on UNACCEPTABLE CONDUCT. This initiative makes it the responsibility of the club regarding the conduct of their supporters at both home and away games.

The list of offences is extensive but includes disorderly conduct, damage to the fabric of a stadium, using threatening or abusive words towards any group or gender. Colour or race, nationality, ethnic origin or sexual orientation. Transgender identity or disability. Also included are chants or songs of a racist, sectarian or of a grossly offensive nature and using words, conduct or displaying any writing or other thing which indicates support for, or affiliation to, or celebration of, or opposition to an organisation proscribed in terms of the Terrorism Act 2000'.

There is no list of banned songs or chants but the Safety Officer, Match Commander, SPFL Delegate, referee or the opposition club may report any of the above. Sanctions against the club can mean an official warning, a fine, ordering the game to be replayed or as a last resort the loss of points. We would ask fans to be mindful of this initiative as the club will take strong action against any supporter who brings the club into disrepute including a total ban from Victoria Park.

Fans are reminded that Victoria Park has a strict No Smoking Policy.

We kindly ask all supporters not to stand in the seated areas in the stadium during play.
